

*Efficient and effective approaches to IT transformation for agencies governing a modern landscape*

Evolver Federal delivers technology services and solutions that improve security, promote innovation, and maximize operational efficiency in support of government customers. Through smart technology, efficient processes, and trustworthy resources, we identify desired outcomes, develop solutions, and implement and operate information technology, critical to mission success.

## Capabilities

### AppDev & Cloud

- Development & Modernization
- Cloud & Cloud Migration
- Agile Development, Management, & Consulting
- DevSecOps
- Microsoft Platform Solutions
- Technical Training & Strategic Services

### Enterprise Infrastructure

- Enterprise Help Desk Service
- Enterprise Infrastructure Support
- Training
- Asset Management

### Cybersecurity

- Security Operations Center
- Security Engineering & Architecture
- Artificial Intelligence/Machine Learning
- Intelligence Services
- Penetration Testing
- Risk Management Framework Support

## Certifications

ISO 9001 | ISO/IEC 20000-1 | ISO/IEC 27001 | CMMI-SVC ML3 | CMMI-DEV ML3

Security Operations Center Team of the Year  
Defensive Cyber Space Operations Service Provider  
Continuous Improvement and Optimization Services Award Winner  
Cyber Executive of the Year
